## KDC350 EZ Charging Adaptor Assembly Manual

## Assembly Instructions:

1. Remove blue protection tape from steel plate. (A,B)

2. Align steel plate as indicated below, ensuring the back battery cover and left charging pin are not covered. (C)

3. Confirm the placement of steel plate and attach to KDC350. (D, E)

4. Verify alignment of EZ Charging Adaptor matches bottom of KDC350; Connect KDC350 and Adaptor. (G)

5. Adaptor should be connected as indicated. (H,I)
