

Nedo® Product Information

Nedo Winkeltronic Easy

Digital angle measuring tool for measuring and transferring angles. Thanks to its light weight and large display, the **Winkeltronic Easy** is ideal for use on construction sites, especially for interior outfitting.

Features:

- Accuracy: $\pm 0.2^\circ$
- Hold function keeps a value on the display
- Zero adjustment at any shank angle
- Integrated horizontal and vertical spirit levels
- Power supply: 2 x 1.5 V (AA) batteries or 2 x 1.2 V rechargeable batteries
- Automatic switch-off after 3 minutes of non-use
- Measurements of absolute, relative and opposite angles
- Supplied with case as a standard

Nedo Winkeltronic Easy
