Prop 65

| | |
|---------|--|
| Warning | This product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. |
|---------|--|

Note

| | |
|------|---|
| Note | <p>Since there is no industry standard for hose wall thickness, the ID of the hose cannot be used to determine the correct ferrule.</p> <p>To determine the proper size ferrule, measure the OD of the hose (as a decimal) and go up to the next larger size Ferrule ID listed above.</p> <p>Example: If the hose OD is .555 "use a #7325 Ferrule, which has an ID of .562".</p> |
