KOAMTAC® Charging Cradles
for KDC180

A Simple, Safe, and Secure Way to Charge Your KDC180

Our KDC180 Charging Cradles create a simple charging dock to drop your devices into for fast and secure charging. With 2-slot and 10-slot configurations, we have the perfect scalable charging solution for both large and small teams.

Convenient

KDC180 Charging Cradles are available in 2-slot and 10-slot configurations. The cradles can charge two or ten KDC180 scanners respectively. In addition, the 2-Slot Charging Cradle is equipped with 2 slots for spare KDC180 batteries while the 10-Slot Charging Cradle is equipped with 10 spare battery slots.

Secure

The KDC180 fits snugly and securely into the cradle to ensure a stable charging environment without the risk of the device falling while being charged.
