

Quick Start Guide for the IoT Gateway

1

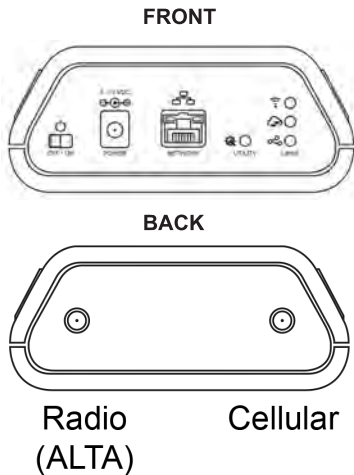

Use the QR code to the right of the phone image above to download the iMonnit app. Alternatively, you can search for "iMonnit" in Google Play or the Apple Store.

2

Follow the in-app instructions to add devices to your account.

3

Connect the antennas to the back of the gateway as seen in the diagram.

4

iMonnit is the easy way to view your sensor data and customize your sensor settings in the app or online at imonnit.com.

For more detailed instructions, documentation, how-to guides and video demonstrations on using Monnit wireless sensors, wireless gateways and iMonnit software, visit our support page at monnit.com/support/.
