

The **Eliminator Lighting Stinger Spot 30** is a mini Moving Head with a crisp 30-Watt LED source and advanced optics. Its compact size and lightweight makes it ideal for mobile entertainers, small club and bars, roller rinks, bowling centers or any mobile production.

Featuring 7 colors plus white, 7 GOBOS plus spot on separate color wheels, the Stinger Spot 30 will give pure lighting excitement with its fast moving beams and color changes. It has a pan and tilt inversion mode that makes one head do the opposite of another when linked together.

Control methods include: DMX-512 where custom scenes may be produced, Sound active mode, primary/secondary mode or auto mode with 8 built-in shows.

Protect two Stinger Spot 30 with the F4 Par Bag padded bag (sold separately).
