

VersaDock™ USB-C™ 4K Portable Docking Station with HDMI, USB 3.0, Power Delivery (PD)

The VersaDock™ 1110 USB-C™ Portable Docking Station is a compact and versatile docking solution, perfect for anyone looking to expand their device's capability on the go or in tight spaces. Connect your peripherals including hard drives, mice, printers and more. This docking station is for USB-C to 4K HDMI, USB Type-A and Power Delivery (PD).

Connect Your Peripherals to most Windows® Laptops or MacBooks® via USB-C

This portable docking station can connect your Windows® laptop or MacBook® with USB-C to a HDMI monitor or projector with resolutions up to 4K@30Hz.

Dock and Charge via USB-C Port with USB Power Delivery

VersaDock 1110 includes fast charging for your laptop or any other larger electronic device thanks to pass-through power on the female Power Delivery (PD) USB-C port. A USB 3.0 port is also included to charge/sync your smartphone or connect other legacy devices such as an external USB hard drive or hub. USB Power Delivery is a new feature introduced with the USB-C connector and can deliver up to 60W (20V, 3A) of power.

Compact and Space Saving Design

The VersaDock 1110 is perfect for setting up a minimal footprint laptop workstation. This palm sized, space saving dock allows your laptop to be placed in a smaller footprint with comfortable working angle.

Versatile and Portable

The VersaDock 1110 has the perfect port solutions for business travelers, whether in the boardroom or hotel room. Its small foot print makes it easy to carry and bring to your next meeting, wherever it may be.

Quality and Reliability

Backed by Comprehensive's 3 Year Warranty, you can be assured of guaranteed quality and reliability.
