

# 6600 Series

Business-Grade Bill Counter with ValuCount™

- ▶ Advanced and reliable money counting with blazing speed—up to 1,400 bills per minute and counterfeit detection for an all-in-one cash processing solution!
- ▶ Innovative mechanism design combines the easy loading of a top-load counter with the smooth counting of a backloading counter.
- ▶ Innovative touch control panel and large 2.8" TFT screen allow for easy navigating and full counting report.
- ▶ Ultraviolet sensors check for counterfeit bills and stop counting with an alert if a suspect bill is detected. The UV/MG model includes magnetic ink detection as well for an extra layer of security.
- ▶ Cassida is America's #1 brand in business-grade cash handling solutions. Backed by a one-year warranty and a helpful, US-based support team.
- ▶ ValuCount™ uses the selected denomination to calculate the total monetary value of bills counted. Functions include Count, Add, Batch and Add plus Batch.
