

DFX2

The DFX2 Upper Body Protection System was designed to provide substantial protection from blunt force trauma without sacrificing the fit or comfort. The chest, shoulders, and back hard shell panels have a modular flex design allowing for all shapes and sizes to fit comfortably without sacrificing much needed mobility. The chest portion of the suit features an aluminum stab plate insert for additional protection. The back plate offers a raised portion in the center that protects the spine from blunt force injury.

MAXIMUM PROTECTION

DFX2

DFX2 IMPERIAL™ ELITE UPPER BODY PROTECTION SYSTEM

- Lightweight cellular Protium™ foam pad design for maximum movement and protection
- 3mm Electrum XK8™ hard shell front and back panels feature a unique Damascus® 3-panel flex design for optimum movement, fit and comfort
