2" CHEMICAL PUMP

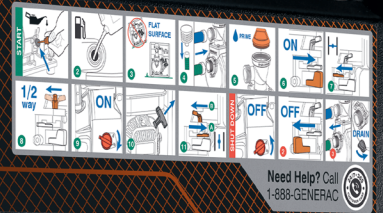

Water Pump

GENERAC®

GENERAC®

C20 2" / 164 GPM
CHEMICAL PUMP

GENERAC OHV
220cc

Easily Pumps Chemicals and Water

C20 CHEMICAL PUMP

WATER PUMP

Generac's C20 chemical pump features a sturdy design, simplified priming, fiberglass-reinforced components and carbon ceramic seals to support a variety of chemical pumping needs in almost any environment.

ONBOARD INSTRUCTIONS

With icons on key touch points makes this pump easy to use

GENERAC 223CC ENGINE

With splash lubrication provides a long engine life

HIGH PERFORMANCE PUMP

Easily pumps up to 164 gallons per minute

EASY PRIME

Funnel design for quick and easy priming

COLOR-CODED SUCTION AND DISCHARGE PORTS

To ensure correct hose connections

DURABLE DESIGN

Reinforced fiberglass pump ideal for clean water, chemical, herbicide, pesticide and fertilizer transfer

SPECIFICATIONS

Model Number	7126	Pump Housing	Fiberglass Reinforced Nylon 66
Engine	4 cycle/OHV	Volute	Fiberglass Reinforced Nylon 66
Engine Displacement (cc)	223	Impeller	Fiberglass Reinforced Nylon 66
Low Oil Shutdown	Yes	Hose Kit	Not Included
Fuel Capacity (gal)	0.95	Discharge Hose Length (ft)	N/A
Run Time (hrs)	1.4	Suction Hose Length (ft)	N/A
Max Total Head (ft)	149	Hose Connections	N/A
Max Suction Lift (ft)	26	Strainer	N/A
Mechanical Seal Type	Carbon Ceramic	Wheel Kit	N/A
Suction Port (NPT)	2"	Dimensions (L"xW"xH")	20.9" x 16.5" x 17.6"
Max Solids (in)	1/16"	Warranty	1 Year Limited
