

CHROME SLT®

4066W

HexArmor®

Designed with ultimate comfort in mind, the cold weather Chrome SLT® 4066W gloves deliver unsurpassed dexterity all while maintaining 360° level A7 cut protection. The buffalo leather exterior construction provides a traditional feel with a good grip in dry or light oil situations, as well as excellent durability and abrasion resistance, where the interior 360° C100 Thinsulate™ liner keeps the hands warm from harsh conditions. The 4066 is complete with an extended knit cuff for a secure fit when you need it most.

Our Chrome SLT® gloves were designed with ultimate comfort in mind, providing unsurpassed dexterity while maintaining cut and puncture resistance.
