

CHROME SLT®

4075W

HexArmor®

Designed for high performance in cold environments, the Chrome SLT® 4075W gloves deliver unsurpassed dexterity with a 360° C100 Thinsulate™ interior liner that keeps hands warm and an additional 360° HPPE/steel blend liner that offers level A6 cut protection. On the back of hand, our wind and water-resistant soft shell protects hands from the cold while the goatskin leather palm provides a traditional feel with a durable, solid grip in dry or light oil situations. The 4075W is complete with a reinforced thumb saddle and an extended knit wrist for a secure fit when you need it most.
