## SPEED DIAL

### The World's Greatest Ratcheting Headgear System—Period!

Our patented Jackson Safety<sup>®</sup> 370 Speed Dial™ offers the fastest, easiest, and most efficient ratcheting headgear system in the industry today! The 370 Speed Dial™ incorporates two unique designs—an oversized ratcheting adjuster knob, and a patented “quick-fit” rear headband that swivels up and down. Together, these two features combine to achieve a perfect fit every time, increasing safety, productivity and satisfaction. Try any of our industry-leading Jackson Safety<sup>®</sup> products that incorporate our famous 370 Speed Dial™ and experience the difference yourself!

Engineered detents lock equipment in the up and down position and eliminate “creep”

Three-position slider adjusts distance of the lens from your eyes for precise vision

“Easy Grip-Easy Turn” rotation allows instant loosening and tightening of the headgear

Patented “quick-fit” rear swivel headband quickly adjusts the suspension gear to the user’s head for superior comfort

Easy to adjust pin-lock upper adjustment band allows proper positioning of equipment

Extra wide replaceable fabric sweatband for maximum comfort and convenience

Lock-nut feature keeps components intact even when the bracket is loosened

Fine tooth ratcheting mechanism guarantees a more precise fit without overtightening

Oversized soft rubber adjuster dial is easy to find and grab even when wearing gloves

**Please note:** Our SC-6 and Blockhead hard hats use a modified version of the face shield/welding helmet version shown. All products feature the exclusive 370 Speed Dial™ for “Easy Grip-Easy Turn” adjustment.
