

Monoprice™

## 8K Certified CL3 Rated HDMI® Cable 3ft - 25ft

Designed to last with a focus on performance and durability.

Designed for durability and performance, this is the top choice cable for professional installers and anyone looking for a future proof solution that will continue to perform over the long haul. This cable carries a CL3 in-wall fire safety rating ideal for commercial installations, a unique friction latch design to ensure the cable stays connected during install, a braided cable jacket to reduce tangles and snagging in crowded environments, a reinforced strain relief that is 3x more durable than comparable HDMI cables, and a durable, crush resistant, cast metal connector housings.

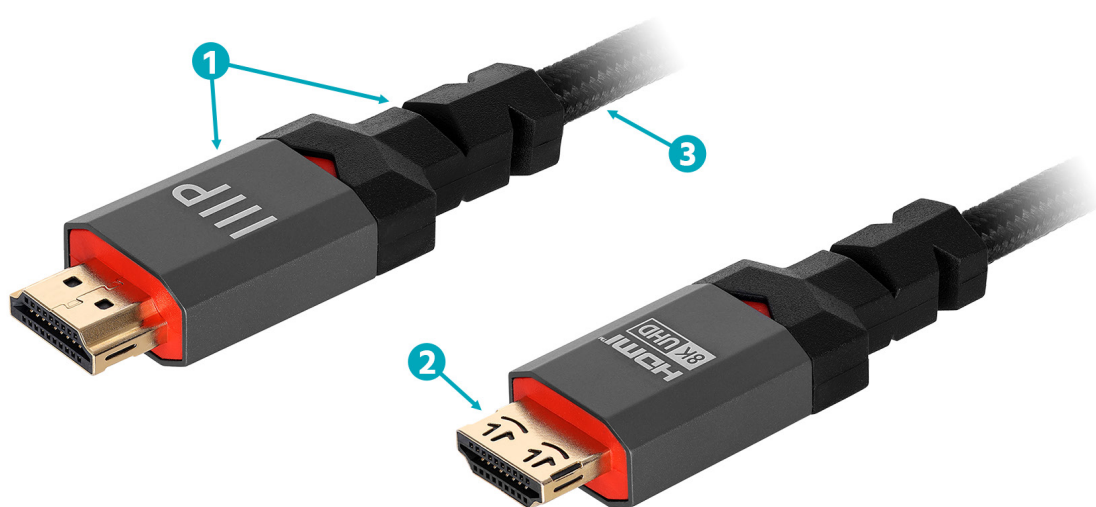

The Monoprice 8K Certified HDMI CL3 Rated Cable is the next generation of HDMI cable. These cables support up to 8K@60Hz/4K@120Hz resolution, 48Gbps bandwidth, and all features found in the HDMI 2.1 specification. It features next-gen technology, which makes it the perfect choice for both high resolution 8K applications and as a future proof option to support future display upgrades.

- Supports all features of the HDMI 2.1 specification
- Reinforced strain relief design 3 times stronger than other HDMI Cables
- Cast metal connector housing to ensure robust long lasting performance
- Unique friction latch designed to ensure the cable remains connected under up to 10lbs of force
- Braided cable jacket to reduce tangles and snagging
- CL3 in-wall fire safety rating suitable for commercial settings
- Backwards compatible with all existing HDMI devices
- Backed by the Monoprice Lifetime Warranty

### FAST 8K@60HZ AND 4K@120HZ REFRESH RATE

This cable is HDMI 2.1 ATC Certified. The authorized 3rd party testing is done to ensure constant quality and performance to the latest HDMI standards.

## 1. DURABLE CONSTRUCTION

Featuring a cast metal connector housing and reinforced strain relief, these cables are designed to last backed by the Monoprice lifetime warranty.

## 2. ALWAYS STAY CONNECTED

The unique gripping latch design provides 10lbs of retention force to keep the HDMI connector fully connected during and after installation.

## 3. TANGLE FREE CABLE DESIGN

The CL3 in-wall rated braided jacket keeps ensures the cable doesn't get tangled in crowded environments and maneuvers easily when in any set up.

### Lifetime Warranty

With Monoprice's Lifetime Warranty, you can rest assured we stand behind our products and our customers. Additionally, we offer a 30 day money back guarantee as well! If the product you purchase does not satisfy your needs, send it back for a full refund.
