# 4K Ultra High Definition Image PREVIEW YOUR IMAGE

The CenterCam's **amazing 4K camera** allows you to **zoom-in up to 100x** on live images for the smallest details. Save, replay, and share captured still photos or video without the need for a connected computer. Preview your image on the built-in LCD screen.

## lights, camera, action! BACKLIT STAGE WITH LED LAMPS

The CenterCam is one of the only flatbed document cameras to have a large, **backlit A4 viewing stage with two evenly distributed LED lamps.** With superb lighting and text optimization, documents and books are legible even from the back of the room.
